EDUCATION

BACHLORS OF ENGINEERING IN COMPUTER

[Mumbai university](#)

📅 09/2021 - 12/2025

📍 Mumbai, India

Masters in full stack development in python

[ITVEDANT EDUCATION](#)

📅 06/2024 - 01/2025

📍 Kalyān, India

SUMMARY

Computer Engineering student with experience in **Full Stack Development** and **Python**. Proficient in **HTML**, **CSS**, **Bootstrap**, **SQL**, and **Object-Oriented Programming (OOP)**. Completed internships in **web development** and **Python**, contributing to responsive design and database management. Strong skills in **debugging**, **code optimization**, and **collaboration** on technical projects.

EXPERIENCE

Full Stack Developer Intern

[Technohacks Pvt.LTD](#)

📍 Remote

- Enhanced user experience by developing responsive web designs
- Seamless cross-device compatibility

Python Development Intern

[Technohacks Pvt.LTD](#)

📍 Remote

- Adapted to new technologies and frameworks, enhancing project efficiency and delivery. Developed Python solutions while learning and applying new programming languages as required.

MY PROJECTS

RAGE-FIT WEBSITE-(HTML,CSS,BOOTSTRAP)

- Designed and implemented a fully responsive website for a gym, using **HTML5**, **CSS3**, and **Bootstrap**.
- Integrated key features like a **dynamic carousel**, **user registration**, and **login authentication** for enhanced user interaction.

GYM MANAGEMENT SYSTEM-(SQL)

- Developed a **data-driven management system** utilizing **SQL** for gym operations.
- Created a **normalized database** supporting key functions with **complex queries**, improving **data retrieval efficiency** and **performance optimization**.

CERTIFICATIONS

Python Development Intern

[Technohacks Pvt.LTD](#)

📅 08/2023 - 09/2023

Developed and tested Python applications, assisted in debugging and code optimization, collaborated on team projects, and gained hands-on experience with Python libraries.

SQL CERTIFICATION

[ITVEDANT EDUCATION](#)

📅 08/2024

Validates skills in **SQL**, including **database management**, **data querying**, **data integrity**, and **performance tuning**.

CORE WEB DESIGN CERTIFICATION

[ITVEDANT EDUCATION](#)

📅 07/2024

Completed training in responsive web design, acquiring skills in **HTML** for content structure, **CSS** for page styling, and **Bootstrap** for responsive layouts.
